Re: New website for home buyers and sellers!!!!

The Peoria Area Association of REALTORS® (PAAR) is currently developing a website for home buyers and sellers in the four county area. The new website [www.yourhometools.com](http://www.yourhometools.com) will have home buying & selling information, financing options and a special section for "Communities".

The purpose of the Community section is to provide a centralized location for communities to share information about their neighborhoods – offering buyers, sellers, and REALTORS® the important information they seek. We are looking to you for assistance in providing information about your neighborhood that would attract buyers.

Enclosed you will find a form that you can use to tell us about your Association/Community. We also are currently developing an interactive form for our website [www.paarealtors.com](http://www.paarealtors.com) under the Community Section that can be filled out and mailed, faxed or emailed to PAAR.

Once the information is collected, consumers will be able to access it through the [www.yourhometools.com](http://www.yourhometools.com) website. Any time you have information that changes, a phone call, email or fax to the PAAR will get your information updated.

Please take a moment to review and complete the enclosed form and return to our office. If you should have any questions, I can be reached at (309) 688-8591 ext. 102, by email at [vduncan@paarealtors.com](mailto:vduncan@paarealtors.com) or by fax at 688-3120.

We are so excited about this opportunity to increase exposure about the great communities in our area and I look forward to working with you!

Sincerely,

Valerie Duncan  
Housing Opportunities Coordinator
